

NO DIG INDIA SHOW 2021

Aerocity, New Delhi

International Conference & Exhibition on
“Opportunities for Trenchless Industry in the
Post Covid Era”

1st & 2nd December 2021

Aerocity, Indira Gandhi International Airport,
New Delhi, INDIA

CO-ORGANISED BY

UNIVERSITY OF
TEXAS
ARLINGTON

भारतीय प्रौद्योगिकी संस्थान दिल्ली
Indian Institute of Technology Delhi

ASSOCIATE PARTNER

THE NO DIG INDIA SHOW 2021

- 2020-21 are the years that has gone down in history when the world halted. The year proved to be an impediment for the infrastructure construction industry. Global trenchless industry also faced COVID induced challenges. On one hand those impeded the works & projects, and on the other, they provided the stakeholders with immense opportunities of growth as well. To have a quantum leap for our industry and benefit from them, we need to seize these opportunities while meeting the challenges.
- Need, therefore, is to identify & quantify trenchless work opportunities available, identify the latest of the frontier trenchless methods and equipment and their sources, identify bulk materials and equipment suppliers, enhance the networking with such sources, enhance the knowledge about execution and operational processes and cultivate professional manpower capable to deliver on the opportunities. Further to top it all, create the network of trenchless service providers with the project execution agencies for a better service delivery and product development.
- Main objectives of NDIS 2021 include following:
 - ♦ Assist Industry stakeholders to identify & quantify trenchless work opportunities available;
 - ♦ Assist Industry stakeholders to identify the latest of the frontier trenchless methods and equipment and their sources and enhance the networking with such sources;
 - ♦ Assist Industry stakeholders to identify bulk materials and equipment suppliers and help to, enhance the networking with such suppliers;
 - ♦ Assist Industry stakeholders to enhance the knowledge about execution and operational processes of latest working trenchless methods;
 - ♦ Assist Industry stakeholders to cultivate professional manpower capable to deliver on the opportunities available; and
 - ♦ Assist Industry stakeholders to create the network of trenchless service providers with the project execution agencies for a better service delivery and product development.

CONFERENCE

Discussion Topics

DAY 1

- ♦ Trenchless Technology Standardization
- ♦ Subsurface Utility Investigation & Mapping
- ♦ Trenchless Project Design
- ♦ Development of New Subsurface Infrastructure

DAY 2

- ♦ Smart & Sustainable Cities Utility Network
- ♦ Rehabilitation & Replacement of Aging Subsurface Utility Network
- ♦ Drilling Fluids
- ♦ Waste Management & Mud Recycling

CPD Credit Hours

The show is approved by Engineering Council of India (ECI) for award of 32 Continued Professional Development Hours, to the registered event delegates who participate in complete event duration.

Certification

Upon successful participation & clearing the test, the participant would be awarded two certifications, CPD Hour Credit certificates & IndSTT trade Skill Certificate on TTO 1.1

VISITOR PROFILE

✦ Mayors

✦ Municipal Commissioners and City Managers

✦ Consultants to Municipal Corporations

✦ Military Engineering Services

✦ Public Works Departments

✦ Public Health Engineering Departments

✦ Telecommunications and IT Industry

✦ Drilling Tools Traders & Exporters

✦ Municipal and Government Contractors and Suppliers

✦ Smart Cities Consultants

✦ Municipal Water Authorities

✦ Water and Waste Water Consultants and Experts

✦ Technology Providers and Vendors

✦ Town Planners and Engineers

✦ Construction and Infrastructure Developers

✦ Buried pipeline condition assessor

✦ Development Banks and Financial Institutions

✦ Utility Surveyors

✦ Pipeline Installation Contractors & Engineering Organization

✦ Highway, railway, river and cross country pipeline contractors & engineers

✦ Engineering Students & Faculties

✦ Media/Press

EXHIBITOR PROFILE

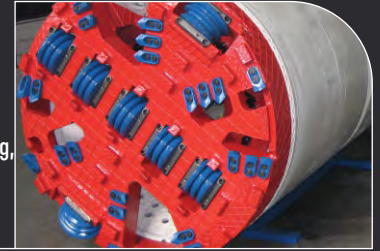

Horizontal Directional Drilling

Manufacturers and suppliers of Horizontal Directional Drilling machine, accessories & tools.

Microtunneling, Pipe Jacking & TBM

Manufacturers and suppliers of Microtunneling, and other subsurface utility machinery.

Drilling Fluids, Waste Management & Recycling

Suppliers of Bentonite and other drilling fluids, solids control equipment, and the mud recycling system.

Drilling & Cutting Tools

Manufacturers and suppliers of drilling tools for HDD, Pipe Bursting, Molding, Microtunneling Industry.

HDD Locating Tools

Manufacturers and suppliers of HDD locating tools.

GRP, FRP, Liner, Resin, HDPE & Interplastic

Manufacturers and suppliers of utility pipes of various composite and grades.

Buried Utility Survey, Mapping & Inspection

Manufacturers and suppliers of GPS, CCTV and other buried utility surveying and mapping techniques and service provider of pipeline condition assessment services.

PARTICIPATION PACKAGE

EXHIBITION

	NATIONAL	INTERNATIONAL
INDSTT Member	Rs. 12,000* / sqm	USD 400* / sqm
Non-Member	Rs. 15,000* / sqm	USD 450* / sqm

CONFERENCE

	NATIONAL	INTERNATIONAL
INDSTT Member	Rs. 5,000*	US\$ 400*
Non-Member	Rs. 10,000*	US\$ 500*
Student	Rs. 2,500*	US\$ 250*

PARTNERSHIP OPPORTUNITIES

Principal Partner	Rs. 12 Lakhs* / US\$ 16,000*
Main Partner	Rs. 8 Lakhs* / US\$ 12,000*
Associate Partner	Rs. 5 Lakhs* / US\$ 8,000*

30 SQM Area, 20 Complimentary Delegate, Color Advertisement etc.
18 SQM Area, 10 Complimentary Delegate, Color Advertisement etc.
12 SQM Area, 05 Complimentary Delegate, Color Advertisement etc.

*18% GST extra

INDIAN SOCIETY FOR TRENCHLESS TECHNOLOGY

New Delhi: 908, Hemkunt Chambers, 89, Nehru Place, New Delhi 110019 | +91 11 4767 0800 | +91 11 4161 7863 (F)
